

# IMRAN HAIDER

## Senior Full Stack Developer / Tech Lead

As a Senior Full Stack Developer and Tech Lead with over 12 years of expertise, I excel in designing, developing, and managing domain-specific web applications across diverse industries, including e-commerce, ERP, education, real estate, and accounting. Proficient in both frontend and backend technologies, I leverage cutting-edge frameworks like React.js, Laravel, Vue.js, and Node.js to create scalable, secure, and innovative solutions that drive business success. A dynamic team leader, I thrive in collaborative settings, fostering growth and delivering impactful results through technological excellence.
